11. (SBU) On October 27, poloff delivered talking points and discussed U.S. Third Committee priorities contained in reftel to MFA Acting Department Head Anders Ornemark, Department of Global Security and Economy. Ornemark indicated general overall agreement with the priorities, particularly the country-specific resolutions concerning Iran and Burma, but said more time was needed for internal discussion of the other issues. Ornemark indicated decisions would be reached expeditiously and instructions would likely be sent to Denmark's UN Mission to coordinate directly with our Mission in New York.
